Larry Carpenter

With 3 years of previous board experience and 30 years of experience working in the medical field, I feel I am qualified to be a member of the board of directors. I am also acting president of the Remillard Board of directors, providing guidance, management, and financial backing to support a local preschool in Larkspur. I look forward to being a positive addition and helping resolve current and future challenges ahead.

Karen Loebbaka

I joined MTC in November 2019. Although it was a bit of a slow start getting to know the membership due to COVID, I made a concerted effort to get involved. I have captained 5 USTA teams and co-captained 2 since 2021. I joined the Social Committee in spring of 2021 and became Chair about one year later and subsequently working with Liz Tabussi as co-chair. I was a [last minute] co-Commissioner of Calcutta in 2022 and was Commissioner alongside Jeff Birkenseer for Calcutta 2023. I served on the Nominating Committee in 2022, and also served on the search committee for our new GM to replace Chris Horne.

I have been involved in the public school system for many years, serving on a number of committees at my kids' schools. I was President of the Redwood High School Foundation for three years (raising a record \$2.4M in my final year) before being elected to the Tamalpais Union High School District Board of Trustees in 2019, serving Redwood, Tam and Archie Williams high schools, as well as San Andreas and Tamiscal. I was President of the TUHSD Board 2021-2023. Before retiring in 2007 to raise our twins, I was a recruiting partner for a Silicon Valley VC firm.
